**RE: RECEIPT OF NO FURTHER ACTION LETTER FOR THE MOBIL - JALK FEE PROPERTY  
LEAD ISSUE (McLAREN/HART PROJECT # 03.0601081.001.001)**

Dear Ms. Parnass:

McLaren/Hart has received a copy of the "No Further Action" letter for the Mobil - Jalk Fee Property located at 10607 Norwalk Boulevard, Santa Fe Springs, California (DTSC Docket No. HSA 94/95-024). The letter indicated the historic use of the site was for "gas production". Based on historic records, the subject property was used as a crude oil production site, not as a gas production site.

McLaren/Hart appreciated the opportunity to work with you on this project. If you have any questions regarding this letter, please contact Tabb Bubier at (714)-752-3204 or Everett Ferguson at (714) 752-3213.

Sincerely,

*Tabb W. Bubier*
